

Stock Donations

Please contact your broker to see what information they require to make the transfer. We have a non-profit brokerage account with E*trade named Humanity. If you need further help, please contact Diane@humanity.org.

You'll receive the most tax benefit from a stock donation if you own the stock for more than a year, and the value has appreciated during your ownership. The IRS says the charitable deduction will be for full fair market value of your stock on the day of donation.
